

Since 2005,
Helga and Gary Westerhoff have

Now this partnership expands with
the Westerhoff-RFA Music Camp.

WESTERHOFF SCHOOL OF MUSIC & ART

The Westerhoff School of Music & Art was founded in 1998 by Helga K. Westerhoff and began its first semester in September

1998. The school provides:

- A solid foundation that prepares students for careers in music or the visual arts.
- A lifetime of music enjoyment and art appreciation.

The curriculum is designed to deepen the love and understanding of music and to develop performance skills. It is also designed to develop skills in the visual arts.

Boys and girls... make great music and great friends at the Westerhoff-RFA Music Camp this summer!

This week-long camp offers campers the chance to learn from music teachers who have a proven ability to work with youth. Activities alternate between individual instruction, practice and performance to group lessons, music-making and fun musicianship classes. Campers learn to play music with others, write music and advance their individual skills. Each day will include group singing

and a noontime outdoor recreational period. On Friday, campers will showcase all that they have learned in a performance for family and friends.
