STUDENTS ENGAGED AND CREATING AT CASA

It is an exciting time at CASA! The Creative After School Arts program operates daily in the RFA Lakeside Theater in Rangeley Maine. It is a FREE program for students in 5th – 12th grades. The CASA students work on Arts & Humanities projects. In December they completed a humanities project, raising \$272 for the Franklin County Animal Shelter in Farmington. Currently, several students are taking instrumental music lessons through this program with instructor Mike Schrader, and learning watercolor technique with Pam Ellis. Other CASA students are working on a Public Art piece to be completed and displayed by the end of school. Students are also working with WRGY and the state-wide "Read to ME" program, reading aloud and recording bedtime stories to create a regularly scheduled radio program. The program is always accepting new students. The weekly schedule of classes and workshops is posted in the RLRS weekly newsletter. Registration forms are in the brochure holder by the theater front door. Come join the fun!
