RFA SUPPORTS STUDENT TRIP TO LIVE THEATER IN PORTLAND

The Rangeley Friends of the Arts is sponsoring Grades 9 & 10 of the Rangeley Lakes Regional School to attend a professional stage production of "Refuge * Malja * ملجأ" at Portland Stage on November 14, 2018.

The trip is in conjunction with RLRS History Teacher Maryam Emami and the School Program Committee of the RFA. A synopsis of the play: When a Jewish-American war photographer feels compelled to assist a young refugee who steps in front of her camera, she calls an old friend to translate but hesitates to reveal why she is so drawn to the boy. This poetic, decade-spanning drama explores how we each define and find our own malja (refuge). Affiliate Artist Bess Welden's "Refuge * Malja * ملجأ" was developed at the 2017 Little Festival of the Unexpected.
