CHECK IN & SET UP: Check in at the registration table between 7:00 and 9:00 AM. Unload quickly and then move your vehicle so that other exhibitors may do the same. Then set up your display under your canopy/shelter and be sure to bring weights or tie-downs to protect against winds.

DEADLINE: Entries must be received by June 20, 2020. Space is limited to about 50 exhibitors, so be sure to mail your application, check and images to be received on time. Exhibitor acceptance notices will be sent by email as soon as possible after the deadline unless you specify that you need a mailed confirmation. We are moving toward 100% electronic communication and urge you to include your email address on your application.

Fees & Cancellations: To reserve exhibition space, the \$70.00 registration fee must accompany the completed application form. Participants canceling after July 18 will not be refunded the registration fee. The RFA retains the right to cancel the event should extreme weather conditions exist. There will not be a rain date; fees will not be refunded.

Cash prizes are \$200, \$125, and \$75 respectively. The jurors are qualified and appointed by the RFA. **EACH EXHIBITOR WILL IDENTIFY ONE PIECE TO BE JUDGED.** Exhibitors retain ownership of their work.

Submissions: Artists must submit 4-6 current images of the works being shown along with the application form. All images must be quality representations. One image must offer visuals of the works as displayed in your booth. Materials may be submitted to: RFA, Art In August, PO Box 333, Rangeley, ME 04970 or emailed at: rangeleyarts@gmail.com. List *Art in August* and the artist's name in the subject line. The visuals of the artists who list a website on the application form will be reviewed at their site. Please include a SASE with correct return postage if you want mailed materials returned. **Photographs must be labeled with the artist's name.**

CRITERIA & JURYING: This is a juried show of fine art and fine craft. We continuously upgrade the show and balance various mediums while encouraging new and emerging artists. Artists who participated in the 2018 or 2019 show do not need to submit material to be juried. All other applicants should note the following standards:

- Selection criteria include, but are not limited to, originality of design and concept, artistry, craftsmanship, medium, and genre as well as overall quality of work and booth display.
- Exhibitors may display and sell only the type of work described on their Show Application.
- Exhibitors may show more than one medium, but are limited to medium submitted for jurying.
- Manufactured products, domestic or imported, and products assembled from kits are all unacceptable.
- RFA reserves the right to limit the number of exhibitors in each medium or genre to ensure a well-balanced show.
