

PRESS RELEASE FOR IMMEDIATE RELEASE

RFA HOSTS COMMUNITY ART PROJECT FOR ALL AGES: HAPPINESS

The Rangeley Friends of the Arts wants to brighten the downtown area for all to enjoy. Along the outside of the RFA Lakeside Theater along the walkway beside Blue Flame, the RFA will host a Community Art Installation called "Together We Can **Reach For Amazing!**" All ages are welcome to participate. The RFA will provide anyone interested in participating with a 24" x 24" board to decorate with paints or other media with each square expressing the theme "happiness." The art will be displayed outdoors, so please consider this in your choice of media. If desired, the RFA will apply a top coat of clear weatherproof sealer to protect the art from the elements.

Entries should be completed and delivered to the theater before the end of June; the Installation will be displayed from July through September. We hope to have an awards event in August. The art will be returned to the artists in October.

Stop by the RFA Lakeside Theater between 10 AM and 2 PM, Mondays through Thursdays to register and pick up your board. Release your inner artist and share your happiness with everyone!
